Courses

Bsc Catering & Hotel Administration (3 Years)

This program charts a clear pathway from foundational operational skills to advanced management principles. Students are trained from **Commis II level to supervisory and managerial roles**, gaining expertise in culinary arts, front office, food & beverage, and hotel administration. The course emphasizes discipline, professionalism, and commitment—preparing graduates to excel in the global hospitality industry.

OPPORTUNITY:

The program opens career pathways in star hotels, restaurants, cruise operations, airlines, railway catering, tourism, resorts, and beverage management.

ELIGIBILITY: +2 Pass

Advanced Diploma in Hotel Management & Catering Science (2 Years)

A comprehensive course offering fundamental and applied knowledge of core hospitality operations. Through modules on food production, F&B service, housekeeping, and front office procedures, students are trained for **Commis Assistant roles** while being **introduced to supervisory duties** like staff coordination, service standards, and daily operations management.

OPPORTUNITY:

Successful candidates can pursue careers in star hotels, restaurants, cruise ships, airlines, railways, tourism, resorts, and beverages, taking up operational and supervisory roles within the hospitality sector

ELIGIBILITY: 10th Pass

3

MBA Hospitality Management (2 Years)

The **MBA in Hospitality Management** prepares students for leadership roles across the global hospitality and service industries. It blends advanced business strategy with specialized hospitality training, focusing on management, marketing, finance, and operations.

Graduates are equipped to excel as **Executive Managers, General Managers, Event Managers, and Revenue Managers**, driven by a passion for excellence, innovation, and guest satisfaction. The program combines academic insight with practical industry experience to develop high-level professionals ready to lead with impact.

OPPORTUNITY:

This degree opens doors to senior leadership and strategic management opportunities in international hospitality chains and enterprises like star hotels, international restaurant chains, cruise lines, airlines, railways, tourism organizations, luxury resorts, and hospitality enterprises.

ELIGIBILITY: Any Degree

Diploma Catering & Hotel Administration (3 Years)

This program provides structured training in the core areas of hospitality. It also includes subjects such as tourism management, food safety, and computer applications to support efficient hospitality operations. The course is ideal for individuals beginning their careers in the hospitality and culinary fields, preparing them for foundational roles such as **Apprentice Chef, Kitchen Assistant, or Commis III**, as well as entry-level positions in the **food service and kitchen operations departments**.

OPPORTUNITY:

Diploma holders have direct opportunities for operational careers in key departments of hotels, restaurants, cruise ships, airlines, railways, and tourism, resorts and beverage.

ELIGIBILITY: 10th Pass

Diploma in Food Production (1 Year)

The **Diploma in Food Production** provides students with the fundamental skills and knowledge needed to begin a career in the culinary and hospitality industry. The program focuses on **basic cooking techniques, kitchen operations, and general knowledge of the food and beverage department**. It is ideal for those with an **entry-level passion for food and beverage**.

OPPORTUNITY:

Graduates of this program can work in star hotels, restaurants, cruise ships, airlines, railway catering services, tourism, resorts, food costing and control, menu planning and food and beverage outlets, specializing in kitchen and production operations.

ELIGIBILITY: 10th Pass
